

Pacific Bepure 2010 Spring-Summer New Products Introduction

Summit Held in Quanzhou City

Pacific Bepure Industry Inc. held the 2010 Spring-Summer New Products Introduction Summit in Diamond Hotel located in Quanzhou City from May 6th to May 8th, 2010.

All the distributors of the Company from more than 20 provinces and regions in China all participated in this celebration. The CEO Mr.Haiting Li delivered a short speech, expressing his sincere thanks to all staff's hardworking and long-term support for the Company. He wishes future cooperation with all distributors and the best prospect of Biaopiao.

There are more than 200 new shoes products with 4 series exhibited in this summit. All guests were very satisfying with the functions and the advantages of the new products after the introduction presented by the Company.

It is notable that in order to make a better cooperation, the Company takes this opportunity to discuss the sales modes with the participants especially the distributors. All of them agreed on the new marketing policies which will bring more convenience to the distributors and deepen the cooperation in a sustainable way.
